1. Film []. Just prior to the meeting, a Secret U.S. Navy film on the [] was shown to the working group. This film clearly demonstrates the use of a [] data base employing miniaturization and other filing techniques that might be suitable for ready access to a collection of vital materials.

2. Approval of Minutes. The Minutes of the 10th meeting were approved as issued.

3. Up-dating of EP-D-1. Most of the meeting was devoted to a further refinement of the second draft revision of [] which was distributed prior to the meeting.

4. NATO Documents. There is a particular problem in connection with inclusion of certain NATO materials in [] State would probably be the chief user, but any USIB member might have occasional need for them. [] offered to check on the availability of a [] and to coordinate with DIA regarding the sharing []
